

How to submit the weekly score card and recap if you volunteer or are designated to do so by a senior dude.

To submit the recap:

During the round, take note of anything blog worthy. There is an area on the back of the card or use the blank pages in the back of the 2021 score book. After the round, you can take a picture of the score card for reference. Then compose a paragraph or two and send it to me via email DiscnDudes@Gmail.com. I will have it edited for grammar and content and publish it to the website.

To submit the score card:

The preferred method is to download [scorecard to submit](#), then open it in Excel, click *enable editing* when prompted. Follow the instructions at the top of the worksheet to complete the card. Then save and email it to DiscnDudes@Gmail.com.

If you do not have access to Excel, you can take a clear photo* and send it via email to DiscnDudes@Gmail.com.

As a last resort, you can text a photo* of the card to me at 952-564-7750. **But please be sure it is legible, and all points are clearly marked. These old eyes thank you.*
